Subject: KICK OFF DETAILS: Dancing with Our Columbus Stars

Importance: High

Hello everyone!

You are receiving this email due to your important and exciting involvement in ***Dancing with Our Columbus Stars 2024!*** Please save the date for ***Saturday, May 11, 10:30am – noon*** for our internal ***Kick Off Meeting!***

I will be hosting this meeting at my office (address noted below) and will send additional information and reminders the week of the meeting so it's fresh in your inbox. At this meeting, our local Stars, Dance Professionals, Key Volunteers and Steering Committee will all gather to review details for our event. Additionally....

- Stars & Pros will get to be introduced for the first time.
- We'll review an Onboarding Packet with full details related to the performance, fundraising, PR/marketing and more!
- We'll also address any questions you may have, capture a team photo, discuss communication streams and prepare to launch to a much wider audience!

If you are unable to attend (I know May and weekends can be extremely busy), I will also release an onboarding video that you can watch at your convenience. If you cannot attend, please do let me know so I can make your partner aware – it's quite exciting when folks meet for the first time!

Thanks so much, and I look forward to working with each of you!

Best,
Katy
